

Tubel Company Price List
September 12, 2020

Price List – Prices Valid for 6 months

The prices for tools and service provided by Tubel is as following

Item	Tool Description	Unit Price
1	Short hop Wireless Pressure and Temperature Permanent FRAC APPLICATION- 5.5 in. diameter – 20 LBS OR 23 LBS	\$31,900
2	Short hop Wireless Pressure and Temperature Permanent FRAC APPLICATION – 4.5 in. diameter – 13 LBS OR 11.6 LBS	\$26,900
3	Short hop Wireless Pressure -Temperature Permanent – 2 7/8 in.	\$19,900
4	Short hop Wireless Memory Gauge – 1.5 in. diameter	\$14,900
5	Wireless HPHT Gauge 4.5 in., 25,000 psi OFFSHORE PACKER MONITOR APPLICATION	\$79,900
6	Wireless Through Tubing Flow Control Tool 2 7/8 in + 1 pressure gauges	\$69,000
7	Fluid Identification short hop wireless gauge with pressure sensor 2 7/8 inches	\$34,900
8	Wireless Gauge 2 7/8 inches with high speed data collection with downhole vibration, pressure and temperature measurements.	\$32,900
9	Downhole power generator 2 7/8 inches	\$34,900
10	Real Time Wireless Acoustic Gauge 2 7/8 in diameter with surface system	\$43,900
11	Real Time Wireless Acoustic Gauge 4.5 in diameter with surface system	\$46,500

12	Real Time Wireless Acoustic Gauge 2 3/8 in diameter with surface system	\$40,900
13	Real time through tubing acoustic communications gauge	\$39,900
13	Real Time Downhole Cable based Gauges and Surface Processing Panel	\$21,000
Service Prices		
1	Shor hop Receiver downhole module – Rent	\$995/day
2	Field Engineer (12 hour day)	\$995/day
3	Mileage Charge for Car Trip	\$1.50/ mile
4	Hotel and Meals	250/day
5	Standby charges for engineer, technician and tools	Half of Full charges
